Watts Price Accountants are now producing a grazing report to complement our traditional Wimmera Farm Performance Report. If you consider that a reasonable portion of your income comes from grazing we would hope that you would participate in both reports by completing both pages of this Data Collection Form.

I consider myself to be predominately involved in:

- ☐ Cropping (greater than 80% of income is from cropping activity) - please turn over and complete page 2 only!
☐ Grazing (greater than 80% of income is from grazing activity) - please complete both pages!
☐ Mixed - please complete both pages!
